MEMORANDUM OF ORAL EX PARTE PRESENTATION

On April 6, 2004, the following people met to discuss the new requirement for a local exchange carrier (LEC) to verify inbound carrier change requests when customers want to change to the interexchange carrier (IXC) affiliate of that LEC: Steve King and Bill Scott, Lexcom Telephone Company; Susan Bahr, Law Offices of Susan Bahr, PC, representing Alpine Communications LC, Clarks Telecommunications, Co., Great Plains Communications, Inc., Lexcom Telephone Company, NebCom, Inc., Northeast Nebraska Telephone Company, The Nebraska Central Telephone Company, and Waitsfield-Fayston Telephone Company; and Scott Bergmann, Office of Commissioner Adelstein.

We discussed the pending requests for waiver of the verification requirement, and the pending petition for reconsideration. Steve King, Bill Scott and I described the anti-competitive impact of the verification requirement, and pointed out that there is no need to impose this requirement on small LECs which do not slam customers. We suggested that the

Commission could grant waivers to the LECs that have requested them (including those LECs that requested waivers in the comments filed January 2, 2004), or grant the petition for reconsideration by exempting small rural LECs from the verification requirement.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, this memorandum is being filed via ECFS in the captioned docket. A copy of this memorandum is being sent via email to: Steve King and Bill Scott, Lexcom Telephone Company; and Scott Bergmann, Office of Commissioner Adelstein.

Respectfully submitted,
